

FRESH PRODUCE

Excellent Opportunity in our Harvest Team

Our farm in Kent is 20 hectares of glasshouse and 15 hectares of outdoor crop, our production from this site has tripled in the last two years.

At our peak time we employ up to 400 Agricultural workers to help us pick our fruit. For our operation to run smoothly, we also have several key positions in our harvest team. This season, we are currently recruiting for the following seasonal positions:

3 x Harvest Supervisors

Being a Supervisor at S&A requires confidence, patience and respect. Your daily activities will include explaining the daily objectives to large groups of people, managing the performance of the team and working with performance targets. You will be recording information on our scanners and encouraging increased productivity from the workforce.

To apply, applicants will need to have the following skills:

- The ability to work well with others
- Good organization and time management skills
- Ability to follow instruction
- Ability to speak English at a basic level (minimum)
- Calm under pressure

This role is offered on a seasonal contract basis from March-October, however during the summer months, shorter contracts will be considered.

The rate of pay for this role is £9.21p/h. Overtime is paid at £11.51p/h (this will increase to £9.72p/h in April 2020)
