

FRESH PRODUCE

Seasonal Opportunity within our Marden Packhouse Material Intake Quality Assurance (MIQA)

S&A Group is the UK's largest independent strawberry grower. The Group, which also has berry growing operations overseas and grows early UK asparagus, uses modern and innovative growing techniques to drive and support its thriving year-round soft fruit import business. Our principal customers include the major multiple food retailers.

We are excited to offer the opportunity for the following **seasonal** vacancies based at our Brook Farm site in Marden, Hereford:

Material Intake Quality Assurance (MIQA)

The role of a MIQA is an integral part of our business. The robust quality assurance system we have in place at S&A increases our customers confidence and credibility in our products.

The main purpose of MIQA's role is to assess the quality of product at intake and complete all relevant compliance related tasks. As MIQA you will provide clear, accurate, proactive communication back to the grower base.

Are you the Ideal Candidate?

- You will have great verbal and written English language and communication skills
- You will have great team-working skills
- You will have great computer skills (i.e. Microsoft Office)
- You will have the ability to work on own initiative & under pressure

All-year-round job availability under Agricultural Contract as well as full-time working hours will be provided, however, start and finish times will vary and working weekends will be also required. The hourly pay rate for the role is £8.21 - £9.72 depending on experience. Successful candidates will receive full training.

Please apply by e-mail to vacancies@sagroup.co.uk and attach an up-to-date CV and confirmation that you have read our Candidate Privacy Notice, available on our website.

S&A Group is an Equal Opportunities Employer.
